Subject: Monthly Progress Report for March 2010
RI/FS and Removal Action
North Bronson Former Facilities Site
Former Scott Fetzer Facility - Operable Unit 3 (OU3)
Bronson, Michigan

Dear Mr. Hahnenberg and Mr. Micke:

As required by Article VI, Paragraph 2.3 of the Administrative Order by Consent for completion of a Remedial Investigation/Feasibility Study (RI/FS), as well as Article VIII, Paragraph 20 of the Administrative Settlement Agreement and Order on Consent for Removal Action (RA), at the above-referenced Site, and on behalf of Scott Fetzer Company, Haley & Aldrich, Inc. (Haley & Aldrich) is hereby submitting the monthly progress report for work performed on the RI/FS and Removal Action during March 2010.

1. Activities Completed During This Reporting Period:

Scott Fetzer Company submitted the February 2010 monthly progress report to USEPA on March 10, 2010.

2. Summary of Collected Data:

24-Hour indoor air samples were collected on March 2-3, 2010 at **Non-responsive**. These samples were collected in the basement of each property in order to confirm the "cold season" affect observed in December 2008 at these Affected Properties, as described in our February 10, 2009 memo. A summary table is attached to this progress report. The March 2, 2010 high and low temperature in Bronson, Michigan was 34F and 18F, respectively.

3. Documents Completed and Submitted During this Reporting Period:

Documents were not submitted during this reporting period.

4. Problems Encountered During this Reporting Period:

Problems were not encountered during this reporting period.

5. Scheduled Activities for the Next Reporting Period:

There are no scheduled activities for the next reporting period.

6. Anticipated Problems and Planned Resolutions During the Next Reporting Period:

There are no anticipated problems during the next reporting period.

7. Summary of Proposed or Approved Changes to the Work Plans or Schedules

Scott Fetzer Company proposes no changes at this time to proposed or approved work plans or schedules.

If you should have any questions or comments regarding this progress report, please do not hesitate to contact me at your convenience.

Sincerely yours,
HALEY & ALDRICH, INC.

Eric Pigati, P.G.
Senior Hydrogeologist
Project Coordinator
